

This architectural elevation drawing shows a long building facade with a series of sawtooth-shaped roof sections. The facade is composed of a light-colored, textured material, possibly brick or stone. There are several large, rectangular windows integrated into the design. To the left, a vertical red dashed line indicates the 'AVENUE DE GOSSELIC' and 'MARTIN LUTHER KING'. A small tree is planted near the left corner. To the right, a parking structure is visible, with levels labeled 'BLOC B, R+0', 'BLOC B, R+1', 'BLOC B, R+2', and 'BLOC B, R+3'. The drawing includes human figures for scale and a small tree on the far right.
