

[illegible][illegible]

This is a detailed architectural elevation drawing of a building facade. The structure is symmetrical, featuring a central entrance with a small pediment and a door. On either side of the entrance are large, multi-paned windows. To the left of the main facade, there is a separate arched entrance and a set of stairs leading up to it. To the right, a chimney is visible. The roof is gabled with decorative elements. The drawing is labeled 'Elevation' at the bottom center.

Floor plan of the garage area. The plan shows a rectangular space with a central area labeled "GARAGE". Dimensions are indicated in feet and inches. The plan includes a door on the left side, a window on the right side, and a small structure at the bottom right. The plan is oriented with the top wall at the top of the page.

[illegible]

This architectural elevation drawing shows a building facade with various window types and height markers. The vertical axis on the left is marked from 0 to 100 in increments of 10. The vertical axis on the right is marked from 0 to 100 in increments of 10. The drawing includes the following labels and height markers:
