

VUE EN PLAN DU GRENIER

The plan shows a complex roof structure with multiple levels and a central staircase. Key features include:

- Levels (Niv.):**
 - Niv. corniche: 11.66 (top left)
 - Niv. corniche: 12.77 (left and top right)
 - Niv. corniche: 13.07 (bottom left)
 - Niv. corniche: 13.13 (bottom right)
 - Niv. corniche: 12.87 (bottom right)
 - Niv. corniche: 14.33 (central flat roof area)
 - Niv. corniche: 15.07 (right side)
 - Niv. sp.: 15.23 (upper level of the staircase area)
 - Niv. sp.: 15.35 (lower level of the staircase area)
- Dimensions and Areas:**
 - 8.30 (width of the top right section)
 - 5.14 (width of the top left section)
 - 5.17 (width of the central section)
 - 11.69 (width of the staircase area)
 - 1.70 (width of the staircase area)
 - 2.67 (width of the staircase area)
 - hsp 1.50 (height of the staircase area)
 - hsp 2.30 (height of the staircase area)
 - Sne.: 0.9 m² (area of the central flat roof)
- Structural Details:**
 - lattes ajourées 4cm x 4cm espacement 4cm (perforated slats)
 - hsp 1.50 (height of the staircase area)
 - hsp 2.30 (height of the staircase area)
 - hsp 1.50 (height of the staircase area)
- Other Labels:**
 - BRUXELLES LIMITE IXXELLES (boundary line)
 - Toiture plate (flat roof)
 - hsp 1.50 (height of the staircase area)
 - hsp 2.30 (height of the staircase area)
 - hsp 1.50 (height of the staircase area)
